DESCRIPTION

The Silbase ceramic mug holds 300 ml and features a matt white finish with a silicone base that improves stability on surfaces. Its straight-sided shape and ergonomic handle make it comfortable to hold and easy to clean; the stoneware construction provides reliable day-to-day durability. Each mug is packed individually in a white cardboard box, convenient for distribution or storage.

The silicone base offers anti-slip protection and cushions against bumps, while the smooth interior and rim simplify washing. The mug is available in several colours (Black, White, Petrol) and measures Ø8.2 x 9.4 cm; please note there is a minimum order of 12 pieces (colours and sizes combined).

This personalised mug is suitable for decoration by screen printing, pad printing or sublimation — ideal for companies, sports clubs, associations, events and private gifts. Our design studio can prepare or vectorise your logo prior to production.
