DESCRIPTION

This compact Chaco personalised compass with carabiner is designed for outdoor use and promotional giveaways. Manufactured in ABS with dimensions of 6.8 x 3 x 1 cm, it features an integrated carabiner that is not suitable for professional climbing. Its flat, lightweight design allows quick attachment to a bag or belt, making it handy for walks, school outings and club activities.

The clear dial and simple operation provide easy orientation while the ABS casing offers reliable everyday durability for outdoor use. This is not a textile item; the compass is small and unobtrusive, easy to store in a pocket or attach to equipment.

We can personalise the compass using tampography, digital printing or doming for companies, associations, sports clubs, schools and private customers. Minimum order: 500 pieces (colours and sizes combined). Practical as an event giveaway or branded support for outdoor programmes. personalised compass.
