DESCRIPTION

RPET tumbler with a 1200 ml capacity, designed for cold drinks. The Mugora model features a tall, slim profile with a side handle for a secure grip. The lid includes a PP straw and a small closure that lets you drink without removing the whole lid. Material: RPET, easy to clean with soapy water. The tumbler is offered in several colours, for example Transparent, Orange Transparent and Light Blue Transparent.

The visible finish shows smooth walls and a clean look that minimises visible wear. At 14.2 x 25.5 cm it provides good stability when placed on a flat surface and is suitable for stands, outdoor events and everyday use when kept upright. The straw and closure add convenience for repeated sipping on the go.
