| **Material** | Rubber |
| **Average weight** | 0.14 |
| **Dimensions** | DIA15 x 25CM |
| **Country of origin** | China |
| **Carton** | 40 pieces |

## DESCRIPTION

Personalised beach rugby ball in a compact size (DIA15x25cm), designed for sand play and outdoor leisure. The neoprene outer layer covers a rubber inner bladder for a soft feel and reliable buoyancy; its oval shape and stitched panels give a comfortable grip. Suitable for casual play, beach events and promotional activities. Care is straightforward: rinse with fresh water after use and air dry.

The ball features stitched panel construction and includes a valve with an inflation needle. The neoprene finish provides a pleasant tactile surface and reduces splashing; its lightweight build makes it easy to carry and store in beach bags.

Customisable for clubs, businesses, associations and events using multicolour transfer, DTF printing or flex. Minimum order: 20 pieces (colours and sizes combined). Our artwork studio can retouch or vectorise your logo for printing.
