Neoprene beach ball

Ref. 2975

Reference	2975
Composition	Rubber
Material	Rubber
Average weight	0.104
Dimensions	DIA16CM
Country of origin	China
Carton	80 pieces

DESCRIPTION

This neoprene beach ball with a rubber interior is designed for outdoor leisure and promotional use. Inflated to a 16 cm diameter, it provides a pleasant grip thanks to its stitched panel construction which improves handling and durability. Lightweight and easy to carry, it is suitable for beach activities, club events and branded giveaways. An inflation needle is included for quick pumping.

The Grasp model’s panel layout distributes impacts evenly and makes throwing simpler. The neoprene cover protects the rubber core and gives a soft-touch finish; monitor inflation to maintain shape. Hand-cleaning is recommended to preserve the outer material.

Personalise this personalised beach ball using multicolour transfer, DTF printing or flex, depending on the desired look. Ideal for companies, sports clubs, associations, events and individuals. Minimum order: 40 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; production and delivery options provided by YourVisualHere.
