DESCRIPTION

A neoprene catch-ball set designed for beach and outdoor leisure. The pack includes two round neoprene discs with a soft catching surface, an elastic hand strap on the back and a tennis ball supplied. Diameter: 18 cm with a slim profile for comfortable handling. The set is supplied in an RPET mesh carry bag with a drawstring, making it easy to take to the beach or events.

The disc features reinforced edging and a central area suitable for printing. The rear elastic strap keeps the disc securely on the hand during throws and catches; neoprene performs well outdoors and dries quickly after contact with water. Well suited to beach games, youth groups and family activities.

Non-textile product, available in multicolour. Can be personalised by screen printing, multicolour transfer, DTF printing and flex. Minimum order: 27 pieces (colours and sizes combined) — smaller quantities may be possible with additional fees. Ideal for businesses, sports clubs, associations, schools and individuals looking for a personalised beach item.
