Reference	2982
Composition	ABS
Material	ABS
Average weight	0.179
Dimensions	39,5 x 31,8 x 17 CM
Country of origin	Thailand
Carton	50 pieces

DESCRIPTION

The Pro 3-Pole travel adapter is moulded in ABS and designed for international travel. It accepts the main plug systems for Europe, the US/Japan, Australia and China and includes an earth connection for added safety. Its compact profile and retractable pin sliders make it easy to store in luggage or a travel kit. Care is simple: wipe clean with a damp cloth.

Functional details include four sliding selectors on the front that deploy the appropriate pins and a universal female socket on the top. The adapter’s rounded edges and precise assembly provide a secure grip when inserting or removing plugs.

Customisation is available by pad printing or digital printing, making this item a practical branded gift for companies, travel agencies, clubs and event promotions. Minimum order 25 pieces (colours and sizes combined); free quote within 24 hours on weekdays and graphic studio support for logo refinement.
