DESCRIPTION

Personalised phone accessory in PU, the Karta Stand card wallet holds up to 3 cards and includes a separate metal ring plus a fold-out kickstand that converts the pocket into a vertical phone stand. The visible stitching and fine-grain PU finish deliver a discreet, durable look; dimensions 6.5 x 9.5 x 1 cm. Care is straightforward: wipe with a damp cloth.

The pocket attaches to the back of the phone and provides easy access to cards. The flat kickstand folds neatly into the body for a slim profile when not in use, keeping bulk to a minimum while protecting cards during daily use.
