Reference	2986
Composition	Cotton
Material	Cotton
Average weight	0.06
Dimensions	21 x 16 x 11.5CM
Country of origin	China
Carton	200 pieces

DESCRIPTION

Five-panel trucker cap, suitable for promotional use by companies, clubs and associations. The front panel and peak are cotton (250 g/m²) giving a structured look and good hold, while the rear polyester mesh provides airflow for comfortable wear. Compact proportions (21 x 16 x 11.5 cm) ensure a stable fit and the classic trucker silhouette.

The five-panel construction features visible stitching on the peak and reinforced seams around the forehead for durability. An adjustable hook-and-loop closure allows quick size changes and the mesh back speeds drying and improves ventilation during outdoor events or extended use.

Customise this personalised cap for corporate gifts, clubs, events or retail ranges. Available decoration techniques: screen printing, embroidery, multicolour transfer, DTF printing and flex. Minimum order: 100 pieces (colours and sizes combined). Our graphic studio can vectorise or refine your logo; free quote within 24 hours on weekdays.
