DESCRIPTION

This PU sports bag is lined internally and offers around 21.5 litres of capacity with dimensions of 48 x 25 x 28 cm, suitable for short trips, gym sessions or weekend use. It features a zippered main compartment and a front zip pocket for organising essentials, robust carry handles and a reinforced base with inset and studs for stable placement. The PU material gives a smooth feel and durable everyday performance.

The rounded silhouette and neat finishing details echo a retro style; visible stitching and the zip are designed for regular use. The lined interior protects contents and makes occasional cleaning straightforward.

This personalised sports bag can be customised primarily by screen printing on object (screen printing). It is well suited to companies, sports clubs, associations and events looking for a practical branded item.
