Average weight	0.186
Dimensions	Ø7.4 x 26.6CM
Country of origin	China
Carton	50 pieces

DESCRIPTION

The Toien One single-wall bottle is made from recycled stainless steel (90 % recycled) and holds 650 ml. Its slim profile (Ø7.4 x 26.6 cm) fits most cup holders and bags, making it suitable for everyday use at work, events or on the move. The PP screw cap includes a handle and a 2-in-1 straw; the bottle is leak-resistant. The photo shows a smooth, minimalist finish ideal for corporate branding.

The practical cap and integrated straw make drinking convenient while the single-wall construction keeps the bottle lightweight. It is available in several colours, for example Black, White and Petrol. Please note the minimum order is 25 pieces (colours combined).

We can personalise this personalised bottle using laser engraving, digital printing, screen printing for objects or pad printing. Well suited to companies, sports clubs, associations, events and corporate gifts; free quote within 24 hours on weekdays, studio support for logo vectorisation and collection in Evere or delivery in Belgium, France and Luxembourg.
