DESCRIPTION

This 700 ml RPET bottle, model Toien Klar, is designed for everyday and sports use. Its slim cylindrical shape (Ø7.4 x 26.6 cm) makes it easy to hold and carry in a bag. The lid features a 2-in-1 handle and straw/nozzle solution and is marketed as leak-proof, suitable for commuting and outdoor activities. The RPET construction provides a recycled option for cold drinks.

The neck and cap show a button-release mechanism and an integrated carry loop that aid opening and transport. The smooth body is easy to clean and offers a flat area for crisp branding. The bottle comes in several colourways, for example Noir, Blanc or Bleu Marine.
