DESCRIPTION

The Lumezo aluminium torch is a compact, lightweight tool for everyday use. Its cylindrical body with a slightly flared head offers a secure grip and the wrist strap helps prevent drops. Rechargeable with a replaceable 14500 lithium battery (400 mAh), it features multiple lighting modes and a forward/reverse zoom to focus the beam as required. Aluminium construction, easy to clean with a damp cloth.

Designed for practicality: protected lens and controls, dimensions 2.5 x 2.5 x 10 cm make it convenient for pockets and toolkits. Suitable for events, safety kits, trade shows or corporate giveaways where a reliable, small torch is needed.

Personalise this torch by laser engraving or tampography. Available in several colour options such as Black, Dark Green and Navy Blue. Minimum order: 100 pieces (colours combined); lower quantities may be possible with additional fees. Free quote within 24 hours on weekdays; our graphic studio can vectorise or retouch your logo. Recommended for companies, clubs, associations and events.
