DESCRIPTION

Business card designed to be planted to grow wildflowers, Asida model in 55 x 85 mm (8.5 x 5.5 cm). Made from grass paper in the EU, this card is an eco-friendly alternative to standard cards while keeping a sturdy feel suitable for events and professional meetings. Rectangular cut, practical dimensions for wallets and display holders.

The surface shows small natural inclusions from the grass pulp, giving each card a distinctive, organic appearance. Care is straightforward: keep dry and avoid repeated folding to preserve the material. Compact size makes it easy to distribute at fairs or include in information packs.

Customisation possible from a minimum order of 500 pieces (colours and sizes combined). Available marking techniques: digital printing and tampography (pad printing). Suited to businesses, associations, clubs and events seeking a sustainable, memorable personalised business card; free quote within 24 hours on weekdays and our studio can vectorise or retouch your logo.
