DESCRIPTION

The Prixton AT803 colour activity bracelet features a 1.69" full touchscreen and a comfortable silicone casing, designed to track steps, distance, calories, heart rate and blood pressure. With IP67 water and dust resistance and multiple sport modes (walking, running, cycling, swimming, yoga, etc.), it also monitors sleep and sedentary periods. The silicone material gives everyday comfort and is easy to maintain: a simple clean with mild soap and water keeps it hygienic.

This custom personalised activity bracelet with logo can be marked by laser engraving, making it ideal for companies, sports clubs, associations, events and private individuals seeking a practical, polished branded item.
