DESCRIPTION

The Prixton Lumière projector is a compact plastic device designed to display videos, photos, audio and text at a native resolution of 1280 x 720, with support up to 1080P FULL HD via HDMI. It includes two speakers, vertical image correction of ±15 degrees and a bright LED lamp capable of projecting up to 5 metres. Multiple inputs (VGA, 2xHDMI, USB2.0, MicroSD, Aux in and AV IN) allow direct connection to all kinds of players. The plastic housing is easy to maintain with a soft cloth.

Order a custom / personalised projector with logo using printing and marking options like tampography, doming, digital printing or laser engraving. Ideal for companies, clubs, associations, events and private customers wanting a branded technical gift or promotional item. YourVisualHere accepts orders from one piece, provides a free weekday quote and a graphic studio to prepare your logo.
