DESCRIPTION

The Prixton Hidra humidifier is designed to diffuse aromas and enhance the atmosphere at home, in the office or in sports facilities. Constructed from 50% plastic and 50% metal, it features an integrated LED night light and a timer offering 1 / 3 / 6 hour settings. It is mains-powered (AC 100-240 V, DC 24 V / 0.5 A) for use in larger rooms and is straightforward to operate and maintain when following care guidance for its plastic and metal parts.

Offer a custom / personalised humidifier with logo using tampography to apply your logo or design to the casing. Perfect for businesses, clubs, associations, events and private customers seeking a branded, practical item. Our studio can prepare and vectorise your artwork for printing.
