DESCRIPTION

The Prixton TWS158 earbuds deliver clear sound thanks to ENC for crisp calls and ANC to reduce ambient noise while listening to music. Made of plastic, they recharge in 1.5 hours and the charging case can replenish the earbuds up to three times, providing up to 7 hours of playtime per charge. The compact design focuses on everyday comfort and simple care—wipe with a dry cloth. These are custom / personalised earbuds with logo suitable for both professional and personal use.

Branding can be applied using tampography (pad printing), ideal for marking the case or packaging with your logo. We provide personalization for companies, sports clubs, associations, events and individuals. Free weekday quotes, in-house graphic studio to vectorise logos, and collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
