DESCRIPTION

The Prixton Aloha Lite Bluetooth speaker is a compact plastic device, splash-resistant (IPX6) and suitable for events, sports sessions and mobile use. It can be split into two independent speakers for stereo sound and offers practical playback autonomy for on-the-go listening. Its dimensions and weight make it easy to carry. Care is simple: wipe with a damp cloth and avoid harsh chemicals.

This custom / personalised Bluetooth speaker with logo can be finished using laser engraving on plastic, a precise technique that delivers a refined look. Suitable for businesses, sports clubs, associations, schools, events and private individuals seeking a distinctive promotional item with a professional logo.
