DESCRIPTION

The Prixton AT806 multisport smart wristband pairs versatility with durability: 37 sport modes, integrated GPS, iOS and Android compatibility, and the ability to display smartphone notifications. Its 1.45" touchscreen (172 x 320) provides a clear interface, while the ABS plastic construction and IP68 rating make it suitable for outdoor activities and everyday wear. The large battery offers several days of use between charges.

This custom / personalised multisport smart wristband with logo is ideal for laser engraving to add a discreet logo or text. Perfect for companies, sports clubs, associations, schools, youth movements, events and private customers looking to offer a branded connected accessory with practical design.
