DESCRIPTION

These custom / personalised Prixton TWS155 with logo earbuds are wireless in-ear headphones made from ABS plastic, designed for versatile everyday use. They connect via Bluetooth® 5.0 with a range up to 10 metres and provide 5–6 hours of battery life, with a full recharge in 1.5 hours. The compact design ensures comfortable wear for commuting, light exercise or casual listening, and they are easy to store and care for to maintain the plastic finish.

Personalisation options include tampography, digital printing and doming, all suitable for plastic surfaces on these earbuds. Ideal for companies, sports clubs, associations, events and private individuals seeking a custom / personalised product with logo to increase brand visibility.
