DESCRIPTION

The Prixton Echo Box is a compact speaker made of ABS and TPU plastic, offering 5–6 hours of battery life and a full charge in 2–3 hours. With Bluetooth® 5.2 for a stable connection, a built-in microphone and hands-free function, it is IPX6 water-resistant and easy to clean with a damp cloth. Comfortable to use at outdoor events, meetings or at home, it provides reliable portable sound without complicated maintenance.

Order a custom / personalised speaker with logo using laser engraving, doming or digital printing. Suitable for companies, sports clubs, associations, schools, events and individuals. Our graphic studio can retouch or vectorise your logo; free weekday quotes and collection or delivery across Belgium, France and Luxembourg are available.
