DESCRIPTION

The Prixton DV670 action camera captures your sporting moments in 4K and features two screens to switch easily between selfie and standard modes. Its waterproof housing allows submersion to 30 metres and the plastic construction keeps the unit lightweight and easy to handle outdoors. For care, wipe the camera and housing with a soft cloth and avoid harsh chemicals. This custom / personalised action camera with logo suits users seeking a robust, versatile device for adventures and everyday use.

We offer personalization using tampography, screen printing, digital printing on objects, screenprint transfers (single-colour and multicolour) and embroidered badges where appropriate for accessories. Ideal for companies, sports clubs, associations, events and private customers. Free quote and graphic studio available for logo adjustments.
