DESCRIPTION

The Prixton Alpha Pro drone is a smartphone accessory for aerial filming, controlled via its integrated mobile app. It features an optical stabiliser, a 5-way obstacle detection system and an emergency stop mode to ensure stable, safe flights. Supplied with a controller, four spare propellers, a USB charging cable, a screwdriver, a manual and a carry case, the unit is made of plastic and should be handled and maintained like other consumer electronic equipment.

We offer Doming and digital printing to create a custom / personalised drone with logo. Suitable for companies, sports clubs, associations, events and private individuals seeking a branded promotional item or a custom gift. We apply your logo to deliver a professional finish.
