DESCRIPTION

The Prixton Alexa SWB32 smart watch features a plastic casing and an AMOLED display delivering high-quality colour reproduction. It tracks daily activity and offers a multisport mode covering up to 100 different activities, while built-in Alexa and TWS connectivity let you pair directly with wireless earphones or speakers. Internal memory stores routes, music and other personal data. Lightweight and comfortable to wear, the synthetic construction is easy to clean and suited to everyday use. custom / personalised smart watch with logo

Personalise the watch through our workshop using techniques such as pad printing (tampography), screen printing, digital object printing, serigraphic transfers, DTF, flex, embroidery and embroidered patches. Suitable for companies, sports clubs, associations, events and private individuals. No minimum order (from 1 piece). Our in-house design studio can retouch or vectorise your logo; free weekday quotes and collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
