DESCRIPTION

The Prixton SWB33 smartwatch features an AMOLED display for excellent colour quality. Housed in lightweight plastic, it includes GPS to record activities without a phone, a multisport mode covering many disciplines and a voice assistant compatible with Siri and Google Assistant. Comfortable for everyday wear and training, care is limited to gentle cleaning of the plastic case and screen.

Offer a custom smartwatch with logo using laser engraving, ideal for businesses, sports clubs, associations, events and private customers. YourVisualHere works with no minimum order, provides a graphic studio to retouch or vectorise your logo, and offers workshop collection or delivery in Belgium, France and Luxembourg.
