DESCRIPTION

The Prixton Tempo smart mug (300 ml) is a custom personalised mug with logo designed to keep your drink at the ideal temperature using a long-lasting battery and a small LED screen to set temperatures between 50 °C and 62.5 °C. Made of plastic with an IPX6 rating, it can be rinsed under running water, though hand washing is recommended for best care. The included charging coaster maintains heat for extended sipping convenience.

This custom personalised mug with logo can be finished by laser engraving, doming or digital printing, depending on the desired look. Suitable for businesses, sports clubs, associations, events and private customers, YourVisualHere also provides a studio to retouch or vectorise your logo.
