DESCRIPTION

The Prixton Hit Box 30W speaker delivers powerful, immersive sound in a compact, portable design. Constructed from ABS and PC plastic, it features wireless connectivity, an integrated microphone and a rechargeable battery with USB-C charging, making it suitable for everyday use at home or outdoors. Its wireless range and handy form factor make it easy to carry and to clean with a damp cloth. Perfect for playing your favourite music with clarity and reliability.

Customize your custom / personalised speaker with logo using digital printing or doming — techniques well suited to ABS/PC plastics. These options are ideal for businesses, sports clubs, associations, events and individuals looking for a personalised promotional item or gift.
