DESCRIPTION

The Prixton IRIS AI smart glasses pair a lightweight design with an ABS plastic frame for comfortable everyday wear. Built for communication, entertainment and productivity on the move, they feature Wi-Fi 6, intuitive touch and voice controls, a stabilised Full HD camera and integrated stereo audio. AI capabilities provide real-time translation and image recognition, all housed in an easy-to-handle, low-maintenance frame.

These custom personalised smart glasses with logo can be marked using tampography, screen printing or digital printing on objects, among other finishing techniques depending on the desired look. Suitable for businesses, sports clubs, associations, events and private customers; we offer free quotes and a graphics studio to refine or vectorise your logo.
