DESCRIPTION

The Prixton Aloha Max 40 W speaker is a portable unit made from ABS plastic, designed to deliver powerful, flexible sound. It splits into two parts that can operate as independent speakers or as a single 40 W unit, enabling a surround-like experience. Battery life provides several hours of playback between charges and a full recharge takes a few hours. Compact and easy to carry, it can be cleaned on the surface with a soft cloth—avoid harsh chemicals.

This custom / personalised speaker with logo can be marked using laser engraving, pad printing (tampography), doming and digital printing. Perfect for companies, sports clubs, associations, events and private customers looking for promotional items or branded gifts. YourVisualHere offers a free quote, no minimum order and an in-house design studio to prepare your logo.
