DESCRIPTION

The Prixton Orbyt Touch smart ring displays time and key health and activity metrics via its mobile app. Constructed from ABS plastic and available in several sizes, it includes built-in sport modes for more detailed exercise tracking, sleep quality monitoring and stress indicators. Supplied with a magnetic charging dock, it offers extended battery life depending on use. Comfortable for daily wear and easy to clean on the surface, it suits both urban and active lifestyles.

To customise a custom / personalised smart ring with logo, we offer digital printing on the appropriate surface. Perfect for companies, sports clubs, associations, events and private customers who want a branded tech item. Our studio can retouch or vectorise your artwork to ensure a crisp, professional finish.
