DESCRIPTION

This A5 spiral notebook is designed for daily notes, meetings and on-the-go jotting. The soft cover in recycled PU protects a refillable block of 224 lined pages (112 sheets) made from recycled paper, offering a matte, sturdy feel. At 18.5 x 22.8 cm it is compact yet practical for professionals, clubs and events seeking a durable, reusable notebook. Wipe the cover with a damp cloth to clean.

The spiral binding makes it simple to replace the internal refill; the side perforations visible in the cover add to the product’s robustness. Rounded corners and a supportive cover thickness ensure comfortable writing whether on a desk or held in hand.

This personalised notebook is available from a minimum order of 20 pieces. Customisation techniques include screen printing on the object, multicolour transfer, DTF printing, flex, pad printing and embossing — ideal for companies, schools, associations and individuals wanting an eco-conscious promotional notebook.
