DESCRIPTION

Foldable RPET felt basket, Fialan model, designed for storage and shopping. The 3 mm RPET felt gives good shape while remaining flexible; integrated cut-out handles make carrying easy and neat seams reinforce the corners. Practical dimensions (40 x 25.5 x 27.5 cm) suit shopping, laundry or household items. Cleaning is simple by brushing or spot wiping.

The square cut and reinforced side panels provide a stable base and simple loading. The felt finish reduces creasing and keeps the basket looking tidy in daily use. Available in several colour options — for example Gris Pierre — with other variants listed on the product page.

This personalised shopping bag can be customised by screen printing (object), multicolour transfer, DTF printing, flex or embossing. Ideal for companies, sports clubs, associations and events. Note: minimum order 15 pieces (colours and sizes combined) — smaller quantities may be possible with additional fees. Free quote within 24 hours on weekdays and our design studio can prepare or vectorise your logo.
