Measuring 3.7 x 3.7 x 0.9 cm, it comes with a metal ring and a cord loop (visible on the photo) for easy attachment to keys, bags or luggage. Its IP65 rating protects against dust and water jets, making it suitable for everyday mobile use.

The smooth, matte casing provides a durable surface for branding and withstands regular handling. The photograph shows the neat circular profile and the integrated eyelet for the cord. Lightweight and unobtrusive, the tag fits comfortably on a keyring or strap.
