DESCRIPTION

This Selfcare bath set comes in a natural wooden tub and includes a brush, a double-sided skin brush, a linen strap, an exfoliating glove and a mesh bag with a drawcord. Its compact size (12.5 x 13 x 11.8 cm) makes it a convenient care item to include in gift boxes or welcome packs. Made of wood and jute, it should be allowed to air-dry after use to preserve the materials.

The raw wood finish and linen strap give the set an organic look; the double-sided brush offers both softer and more exfoliating surfaces for complete care. The mesh bag allows ventilation and easy storage between uses. Ideal for corporate gifts, event spa kits or themed gift sets.

Customisation by laser engraving or pad printing is available. This personalised care product is suitable for companies, clubs, associations, events and private customers. Minimum order: 18 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; standard production and delivery options apply.
