DESCRIPTION

The Sagrada fragrance burner is made from ceramic and designed to diffuse a warm vanilla scent. Compact at DIA 8.3 x 9.2 cm, it includes a recess for a tealight and a shallow bowl for the supplied vanilla essential oil; the tealight burns for approximately 2 hours. Supplied in a white gift box, it works well at home, in small offices or as a welcome gift. Its smooth glazed finish is easy to wipe clean.

The burner features a front opening to place the tealight and a broad bowl to ensure even scent release. Ceramic provides good heat resistance; avoid knocks and allow to cool before handling. Its compact proportions make it simple to position on a desk, shelf or reception surface.

Customisable using screen printing, pad printing or sublimation, this personalised candles product is suitable for businesses, hotels, associations, events or private customers looking for a branded gift. Minimum order: 15 pieces (colours and sizes combined). A detailed quote and marking options are available on request.
