DESCRIPTION

Foldable 3-in-1 charging station made of ABS, designed to wirelessly charge a smartphone (magnetic pad), a compatible smartwatch (Samsung® and Apple®) and TWS earphones. Compact dimensions (69 x 79 x 34 mm) and a hinged stand allow use on a desk or folding for easy transport. Power input via USB-C. Available in several colours such as black and white.

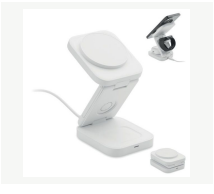

The foldable construction provides convenient portability and desk use; the magnetic charging area secures the phone while charging and the base accommodates the earbud charger. ABS construction is simple to wipe clean. Size and form factor suit both mobile and workplace use.

Customisation is available by pad printing (tampography), making this station ideal for companies, clubs, associations and event organisers seeking a personalised wireless charger as a corporate gift or promotional item. Minimum order: 25 pieces (colours and sizes combined). Free weekday quote and in-house graphic studio to prepare your logo.
