DESCRIPTION

This paulownia wood wine box holds a single bottle (bottle not included) and provides a natural presentation for corporate or private gifts. Made from lightweight wood, it features reinforced metal corner fittings and a rope handle for easy carrying. At 11.5 x 10.5 x 35 cm it is a compact, practical option for events, client gifts and hampers.

The box fastens with a metal clasp and the lid corners are protected with metal brackets to improve durability. Its rigid construction keeps the bottle upright; the wooden material requires basic care and is best kept for indoor use to preserve the finish.

Customisation options include laser engraving and pad printing. This personalised gift box suits companies, clubs, associations and individuals looking for a refined gift. Minimum order: 15 pieces (colours and sizes combined).
