Backpack designed to carry a 15" laptop with a padded laptop compartment; straight cut and tall profile (27x17x48cm) for organised storage. Made of PU with an RPET lining, it features zipped front and top pockets, two side pockets and a padded back for comfort on the move. Top handle and trolley pass-through make it practical for business travel or daily commuting. The backpack comes in several colours, for example Black, Navy Blue and Dark Green.

Visible details show a clean, robust finish: reinforced seams, inset zips and external pockets useful for a bottle or charger. The vertical silhouette remains compact while providing room for folders and accessories.
