The Suicush travel accessory is made for use at home, in the office, by car or on the move. The suede-like PET cover provides a soft, velvety feel while the silk filling delivers comfortable support across the 38 x 25 x 12 cm dimensions. Its rectangular shape with piped edges gives a neat, compact profile suitable for back or arm support.

The cushion features stitched seams and an even loft to maintain shape. Lightweight and easy to pack, it slips into a bag or attaches to a seat to improve lumbar comfort on long journeys. It is offered in several colour options, including black.

Customisation is available from 4 pieces using transfer, DTF printing or flex. Recommended for companies, sports clubs, associations, events and private customers wanting a personalised travel accessory.
