Cob light with screwdriver set

Ref. 3127

Reference	3127
Composition	Aluminium
Material	Aluminium
Average weight	0.07
Dimensions	10.6 x 3.3 x 1.85CM
Country of origin	China
Carton	100 pieces

DESCRIPTION

Compact aluminium COB torch measuring 10.6 x 3.3 x 1.85 cm combining a 60-lumen COB front light with an integrated compartment for six screwdriver bits (three Phillips, three flat). Powered by two CR2025 batteries (included), its slim metal body is convenient for slipping into a pocket or tool kit and is designed for quick inspections and light repair tasks.

The image shows the sliding bit holder and the power button on the lamp head — practical details for everyday use. The aluminium construction gives a solid feel while ABS components protect moving parts. No special maintenance is required; remove batteries for long-term storage to protect the contacts.

This personalised tools and torches item can be decorated by digital printing, doming, laser engraving or pad printing. Minimum order: 50 pieces (colours and sizes combined); smaller quantities may be possible with additional fees. Suited for companies, clubs, associations, events and promotional gifting — our studio can retouch or vectorise your logo for production.
