DESCRIPTION

Phone stand made from walnut and poplar wood, designed for desk or countertop use. Its compact, angled shape (8 x 5.8 x 6.5 cm) holds a smartphone upright for checking notifications, hands-free calls or following video content. The rounded edges and sanded finish provide a pleasant grip and a natural, understated look suitable for office or hospitality settings.

The clean, open profile is easy to keep tidy and reduces the chance of scratching the device. Its slim dimensions make it simple to store in a drawer or display at a reception. The universal format accommodates most smartphones and offers a stable viewing angle.

The stand can be personalised by digital printing, doming, laser engraving or pad printing — techniques well suited to wood surfaces. Recommended for companies, sports clubs, associations, events and corporate gifts. Minimum order: 100 pieces (colours and sizes combined). personalised phone accessory.
