Country of origin	China
Carton	40 pieces

DESCRIPTION

The Blaquin 13-in-1 foldable multi-tool is made from stainless steel with aluminium elements, designed for everyday tasks and field use. It is compact when closed (10.5 x 4.2 x 1.5 cm) and supplied with a polyester 600D pouch for easy carrying. The stainless steel construction provides robust performance and straightforward care: wipe and dry after use to maintain condition.

It combines 13 functions including pliers, wire cutter, saw, knife, screwdrivers, bottle opener, can opener, file and scraper. The folding mechanism keeps each tool secure when stored and the included pouch allows belt attachment for transport. Size and finish make it well suited to technical teams, clubs and DIY users.

Customisation is available by laser engraving, pad printing, screen printing on objects, multicolour transfer, DTF printing or flex. Ideal for companies, clubs, associations, events and private individuals seeking personalised tools and torches. Minimum order: 20 pieces (colours and sizes combined).
