DESCRIPTION

Foldable PU tray, Keyspot model, designed as a practical desk accessory. Measuring 15 x 15 cm with four upturned sides, it creates a small rigid tray when the metal fastenings are clipped—ideal for keeping keys, coins, pens or small items together. The PU surface is smooth and easy to clean with a damp cloth.

The tray features simple, robust finishing: corner snaps that allow it to be folded flat for storage or transport. Once clipped, the tray keeps its shape and provides a tidy organiser on a desk or reception surface.
