DESCRIPTION

The Neckres ergonomic travel cushion is shaped to support the lower back, suitable for home, office, car or travel use. It features a polyester cover with PU memory foam filling that regains its shape after use. Compact dimensions (40 x 28 x 10 cm) make it simple to position on a chair or seat, offering discreet, targeted support.

The contoured profile provides focused lumbar support without hard elements, and the clean finish keeps it unobtrusive for everyday use. Lightweight and compact, it slips easily into luggage or can be placed behind a seatback to improve seated comfort during long periods of sitting.

This personalised travel accessory can be customised by multicolour transfer, DTF printing or flex depending on the desired look. Suitable for companies, sports clubs, associations, events and private customers. Minimum order: 4 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your logo and we provide a free quote on weekdays.
