| **Dimensions** | 37.5 x 26CM |
| **Country of origin** | China |
| **Carton** | 50 pieces |

## DESCRIPTION

This Neosleeve16 neoprene laptop sleeve is sized for 16" laptops, with a 3 mm neoprene thickness providing soft, everyday protection. Its slim profile and dimensions of 37.5 x 26 cm make it easy to slide into a briefcase or backpack; neoprene is flexible and can be wiped clean for simple maintenance.

The sleeve features a flap closure, rounded corners and visible stitching along the edges for reinforced finishing. Lacking rigid parts, it prevents surface scratches while remaining lightweight and compact — suited to daily commuting or short trips rather than heavy-duty protection.

The sleeve can be personalised as a personalised laptop sleeve for companies, clubs, schools, associations and events using screen printing, multicolour transfer, DTF printing or flex. Note: this promotional item has a minimum order quantity of 25 pieces (colours and sizes combined); our studio can retouch or vectorise your logo prior to production.

## COLOURS (1)

Black
