Country of origin	China
Carton	40 pieces

DESCRIPTION

15W wireless charger in acacia wood, featuring an integrated photo frame and a phone stand. Designed for desk or bedside use, it includes a USB-C input and an USB-A to USB-C cable. With dimensions of 20.5 x 10.2 x 16.5 cm it provides a stable surface suitable for most modern smartphones. The natural wood finish offers a warm look and is easy to care for with a dry or slightly damp cloth.

The unit has a recessed area for a photo and a small ledge to hold a phone upright. Rounded edges and a smooth finish improve handling and keep the charger compact for minimal desk footprint.

This personalised wireless charger can be decorated by laser engraving, pad printing (tampography) or digital printing, making it suitable for companies, clubs, associations and events. Minimum order: 20 pieces (colours and sizes combined) — lower quantities may be possible with additional fees. Free quote within 24 hours on weekdays; our studio can retouch or vectorise your logo. Pick-up in Evere or delivery across Belgium, France and Luxembourg.
