Average weight	0.13
Dimensions	14 x 7 x 1.7CM
Country of origin	China
Carton	60 pieces

DESCRIPTION

The Powerfold personalised wireless charger is a foldable ABS unit intended for everyday desk or travel use. Its hinge lets you set the charger as an angled stand for viewing the phone or fold it flat for storage. USB-C input with cable included, single coil delivering up to 15W output; the ABS construction provides a smooth, hard-wearing surface that is simple to wipe clean.

Measuring 14 x 7 x 1.7 cm, the model features clean, flat planes and a stable base with areas suitable for marking. The folding mechanism reduces bulk when not in use, while offering reliable support for most Qi-compatible smartphones.

Personalise this personalised wireless charger with digital printing or tampography — a practical choice for companies, events, clubs and corporate gifts. Minimum order: 30 pieces (colours combined); smaller quantities may be possible with additional fees. Free quote within 24 hours on weekdays; standard production and express options available. Collection from our Evere workshop or delivery in Belgium, France and Luxembourg. Our studio can vectorise and prepare your logo for print.
