DESCRIPTION

The Echo foldable wireless headphones, unisex, are made of ABS for portable everyday use. The design folds flat for compact storage and includes a velvet pouch and a USB-C charging cable. It features an integrated microphone with hands-free calling and an approximate 17-hour battery life. Cushioned ear pads fully surround the ear for comfortable long listening sessions. Care is straightforward: wipe the shell and pads with a soft, dry cloth.

Finished with smooth surfaces and discreet folding hinges, the headphones have controls on the right earcup and a replaceable battery to simplify upkeep. With dimensions of 17.5 x 8.5 x 20.0 cm the set is easy to transport and store in the supplied pouch.

Branding options include DTF printing, Transfer, Flex and Pad printing. Minimum order quantity: 10 pieces (colours and sizes combined). Suitable for companies, sports clubs, associations, events and private customers looking for personalised headphones for promotions, gifts or staff equipment. Our graphic studio can retouch or vectorise your logo.
