Material	PS
Average weight	0.275
Dimensions	14 x 18 x 2CM
Country of origin	China
Carton	40 pieces

DESCRIPTION

Compact "Scale It" kitchen scale in PS with a slim rectangular profile and a brushed-metal look surface. Designed for everyday use, it offers a maximum capacity of 5 kg and measures 14 x 18 x 2 cm, making it easy to store. Batteries are not included (2x AAA). The LCD display and two control buttons provide tare and unit-change functions for straightforward weighing tasks.

The smooth top is easy to wipe clean with a damp cloth; do not immerse. Its low-profile design and lack of protruding parts make it practical for domestic kitchens, product demonstrations and event use where a discreet, reliable scale is needed.

Branding options include laser engraving and screen printing on objects. This personalised kitchen scale is ideal for companies, sports clubs, associations, schools or as a promotional gift. Minimum order: 20 pieces. Free quote within 24 hours on weekdays; collection in our Evere workshop or delivery in Belgium, France and Luxembourg.
